## Qualification System

- **General**
  - The Qualification System will be based mainly on a combination of Entry Standards and World Rankings. The first will be set to qualify about 50% of the athletes.
  - The Entry Standards for the Events with an 18 months' qualification period, were approved by the World Athletics Council in February 2024.
  - The Entry Standards for the Events with a 12 months' qualification period, will be approved by the World Athletics Council in July 2024.
  
- **Qualification period valid for Entry Standards and World Rankings**
  - For the Marathon: 18 months from 5 November 2023 to midnight 4 May 2025 (regardless of the time zone).
  - For the 10,000m, 35km Race Walk, 20km Race Walk, Combined Events and Relays: 18 months from 25 February 2024 to midnight 24 August 2025 (regardless of the time zone).
  - For all other events: Entry Standards can be achieved from 1 August 2024 to midnight 24 August 2025 (regardless of the time zone). Current event ranking rules and period will apply for World Ranking. Results achieved during Olympic Games Paris 24 will also be considered valid for World Ranking even if outside of the one-year period.
  
- **Qualification in Individual Events**
  - Athletes can qualify in one of four ways:
    - By achieving the **Entry Standard** within the qualification period in accordance with the criteria detailed below.
    - By virtue of the **Finishing Position** at designated competitions as follows (in these cases the athletes shall also be considered as having achieved the Entry Standard):
      - The Area Champions in all the individual events (except for the Marathons) on condition that there is no better entry (by World Rankings) of another athlete from the same Area in the same event. The Member Federation of the Area Champion will have the ultimate authority to enter the athlete or not, based on its own selection criteria. See specific additional conditions below.
      - The top 5 finishers at the Platinum Label Marathons held during the qualification period and the winners of the Gold Label Marathons held on 2025.
    - By **Wild Card** as:
      - Defending World Champion from 2023
      - Winner of the 2025 Diamond League
      - Winner of the 2024
        1. World Race Walking Tour (to participate in the 20km OR the 35km)
        2. World Combined Events Tour
        3. Leading hammer performers (by result) on the Continental Tour

If two athletes from the same country would qualify for a Wild Card in the same event, only one of the two can be entered with this Wild Card. If a Member Federation has four athletes in one event as a result of this regulation, all four will be permitted to compete.

    - By virtue of the **World Rankings Position** achieved at the end of the qualification period according to the respective Event Ranking Rules (and ranking periods). In case of ties, athletes with the next best Performance Score will prevail.
- For the 10,000m, a quota of 3 athletes will be assigned to the top positioned athletes, not otherwise qualified through entry standards or other ways, in the senior Men's and Women's Cross-Country Tour Ranking at the end of the qualification period. In case of ties (after having already considered the next best performance score), this is broken in favour of the athlete with the best time in the 10,000m in the

qualification period. In case of places declined, the quota will go to the next best in the 10,000m World Rankings.

- World Athletics will keep a regularly updated running list of the qualification situation for each event in the lead up to the World Athletics Championships. This will be published in due course on the Stat Zone section of the World Athletics Website ([www.worldathletics.org/stats-zone](http://www.worldathletics.org/stats-zone)).
- Individual Athletes Ranking Process
  - Following the end of the qualification period, based on the target numbers, for each event World Athletics will determine:
    - the number of athletes having achieved the entry standard (either directly or by finishing position at the selected competitions, including approved Area Champions);
    - the eligible wild cards;
    - the athletes subsequently qualified by virtue of their World Ranking position to complete the target number in each event – should the target number of athletes in any event be reached (or surpassed) through entry standards and wild cards, no athletes would qualify by virtue of their World Rankings position;
    - the athletes in the next best World Ranking position.
  - The list so determined will be published on 27 August 2025
  - Member Federations shall be invited to pre-submit their entries by 29 August 2025 (midnight Monaco time) and to include, in addition to the qualified athletes, also the next best by World Rankings they would be willing to enter.
  - Based on the pre-entries submitted, World Athletics shall determine the number of next best athletes by World Rankings proposed for entry to be accepted and shall notify the respective Member Federation accordingly by 30 August 2025 (midnight Monaco time).
  - Member Federations shall review and complete their final entries by the entry deadline of 1 September 2025 (midnight Monaco time).
- **Qualification in Relay Events**
  - Relay Teams can qualify in one of two ways
    - First fourteen placed teams at the **World Athletics Relays** Guangzhou 25.
    - Be one of the best ranked teams at the end of the qualification period to fill the two remaining places. For the purpose of being ranked, the results of relay races will be valid only on the condition that they are part of a competition staged in compliance with World Athletics Rules and that at least two different international teams, representing at least two countries, compete in the event. In case of a tie the results will be separated by the thousands. If the tie remains, the best performance achieved in the World Relays will be take precedence.
  - Relays Ranking Process
    - Following the end of the qualification period (i.e., 25 August 2025) and knowing the Relay Teams that have qualified from the 2025 World Athletics Relays, World Athletics will identify the teams qualified by virtue of their position in the World Athletics Top Lists (according to the best performances in the whole qualification period).
    - World Athletics, within 48 hours of the closing of the Qualification Period, will notify the Member Federations concerned by email to their World Athletics email address ([xxx@mf.worldathletics.org](mailto:xxx@mf.worldathletics.org)) and replies will be expected within 24 hours.
    - Upon refusals, cancellations or no reply, the next eligible relay team will be identified and invited. The invitation process will end on 29 August 2025, midnight Monaco time.
    - Any unqualified host country team will not take a quota place.
