WORLD ATHLETICS™

KIDS' ATHLETICS DAY '25

Your Web App Guide

To support our **'Relay Around the World'** campaign, we have created a brand new Web App where you can record your relays, share photos and videos, enter the **"design a baton"** competition and much more!

Get started!

Scan the QR code to access the Web App

To start, **register your details and create a log in.** Remember, there are three audience options available so choose the one relevant to you:

❯ **Member Federations**

❯ **Schools / Organisations**

❯ **Parents / Guardians**

Navigating the Web App

With lots of functionality available for you to enjoy, the **Web App** has a navigation bar at the bottom for you to **easily access the pages you require.**

❯ **Discover -** Learn more about Kids' Athletics.

❯ **Relay -** Information, ideas and results for 'Relay Around the World', and most importantly, **registering your relay!**

❯ **KAD25 -** Discover more about Kids' Athletics 2025.

❯ **Win -** Baton competition information, entry and gallery.

Registering your relay

Registering your relays on the Web App is easy! Simply **scan the QR code below**, enter the relay type completed and the number of participants - then hit **register.**
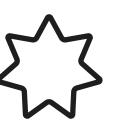

Remember to check out the results page to see how many relays have been completed - and better yet, view the leaderboard to see how your country is performing.

Register Your Relays!

For Member Federations

Register your relay results to help us create it the biggest kids' relay ever and make your Federation a winner!

Simply enter each relay event individually using the form below.

We completed a relay!

What type of relay was it?
(For example: Egg & Spoon Race)

How many kids participated?

Once you've completed your relay, **upload your photos and videos onto the Web App!**

Baton competition

The fun doesn't stop with the relays! This year we've partnered with **Mondo** to give kids in your community the chance to **design their own relay baton and win prizes!**

Scan the QR code to download the template and get designing.

Remember to **upload their creations back onto the Web App** for their chance to win!
